MEMBERS OF FARM CLUB FOR MERGER

ORGANIZATIONS CHARGE INVASION OF EACH OTHER'S FIELDS.

PLANS STILL INDEFINITE

Movement Generally Approved by Those Interested—Committee May Meet to Lay Plans.

A merger of the Missouri Farmers' Association and the Missouri Farm Bureau Federation is being seriously considered by both organizations.

The headquarters of the first organization are in Columbia. William Hirth of Columbia is president and Howard A. Cowden is the secretary. The headquarters of the Missouri Farm Bureau Federation were formerly in Columbia but early this year they were moved to Jefferson City.

For some time there has been rivalry and considerable antagonism between the two organizations. It has been charged in open meetings by the Farmers' Association that the Farm Bureau Federation has encroached upon the field of the Farmers' Association and that it did not confine its work to educational activities as intended by Congress but also invaded the co-operative marketing field and similar undertakings.

Details Not Considered Yet

Thus far the movement for consolidation, judging from the official organs of the two bodies, has not reached a detailed basis upon which the amalgamation is to take place, but each is firmly in favor of such a combination in case the principles can be worked out.

The Missouri Farm Bureau News has devoted much space to the proposition in recent years and asserts that such movement is generally approved by the farmers and others interested in agriculture. It is believed that each organization will name a committee of five members to get together on the details of consolidation.

The Association's View

The secretary of the Farmers' Association is sending out this week a circular dealing with the proposed merger in which it is stated that never in the history of the farmers of the state has there been a question of so much importance as the question now to be settled. The Farmers Association considered the question at a meeting in St. Joseph last week. In the statement which the association has issued since the meeting's attention is called to the large membership of the association, given as 60,000 farmer shareholders, and emphasizes the fact that the Farm Bureau has a much smaller membership. It then goes on to say:

"The position of the two organizations is therefore radically different in these premises and hence if the mountain can not come to Mahomet we trust that Mohamet will not, in the interest of the "greatest good to the greatest number," refuse to come to the mountain.

"Again, if the proposal of the Bureau leaders to consolidate the two organizations is carried out, then it naturally follows that the result must be one organization with one plan, one constitution and by laws and the same annual dues for all members. And since the Missouri Farmers' Association has demonstrated that dues of $2.50 are sufficient we make the above suggestion, not as a matter of pride or selfishness on behalf of the M. F. A. but as the simplest and most practical solution of the problem in hand."

WEATHER FORECAST SAYS COOLER TONIGHT

Highest Point Yesterday afternoon Was 98 and at Noon Today It Was 96

Who said "good cheer?" Here's the way a part of the weather forecast reads today—"Cooler Saturday in the north portion of Missouri tonight!"

J. R. Brink said at 12:30 o'clock today that his thermometer was registering and that it registered 98 at the highest point yesterday afternoon.

WOULD POOL 500 MILLIONS FOR LOANS FOR FARMERS

Senator King Wants to Take This Amount from the War Finance Corporation

Washington, Sept. 8—The senate finance committee is considering today a proposal of Senator King of Utah in a bill that the government pool 500 million dollars to be transferred from the war finance corporation to the federal farm loan board to extend the season and long term credits to farmers and cattle raisers. This, King claims, would save the farmers from food speculators and grain gamblers and would save the necessity of selling the crops at harvest prices during the flood on the markets.

TOURISTS LIKE HIS ARKANSAS ROCKS

SAYS RAINS AT EUREKA SPRINGS DON'T MAKE MUDDY ROADS

BUT 'TIS FINE HERE

Trenton Man in Search for Better Health Has Taken to the Road For a Time

"We like the roads in this part of the country fine, when it does not rain," said W. O. Perkins of Eureka Springs, Ark., who with Mrs. Perkins stopped last night at the Tourists Park. "But if there comes a rainy spell of weather, then we like our rocks in Arkansas better. We have been in one rain since we started out and we found traveling exceedingly difficult. Rains never bother us in Arkansas."

Mr. and Mrs. Perkins were traveling in a six-cylinder Buick, almost new. They had visited for a time in Kansas City and were on their way to Creston, Ia., from where they were going to David City, Neb. They said that they liked the looks of things in this part of the country and that they thought that Maryville must be a place of at least 7,000, judging from the appearance of the park and other things about here.

John Brazelton of Trenton stopped at the park last night. He said that he had not been felling well and had decided to travel about for a time as a means of resting up. He would go to various places in Nebraska. He said that he found the roads pretty rough for a distance this side of Trenton but that the people going from here today to the Bethany fair would find the roads good.

Mr. Brazelton had a neat arrangement for a bed in his Ford touring car. It rested on legs which set on the floor of the car in front and in the seat in the back. It was a folding arrangement and took but little space during the day.

Others at the park yesterday and the night before were Mr. and Mrs. F. B. Shannon and six children of Beaumont, Texas, who were going to Fontenella, Ia., to visit the children's grandmother; Mr. and Mrs. E. T. Fountain of Ferguson Falls, Minn., who were on their way to Perry County, Ark.; A. J. Gardner, Garden City, Mo. who was on his way to Iowa; Billy Van Dyke, Dixie Shults and Mary Janice Styker, who were traveling from coast to coast in a Royce roadster, and Cecil Vandersloot, who was driving to New York in a Stutz.

"We find the park beautiful and the conveniences excellent, many thanks for them," wrote Mr. Shannon in the register.

"This is the most desirable ground we have camped on," was the comment of Mr. Fountain.

The parsonages belonging to pastoral charges are 143 and are estimated at $441,700 and their indebtedness is $38,836.

The amount of the insurance carried on the church property is $1,315,240 and the premiums paid is $6,947.

Eleven churches and parsonages in the conference were damaged in the course of the year to the total amount of $2,099 and the amount of insurance collected was $2,008.

BARNARD SCHOOL CHILDREN ADVISED TO SEE PHYSICIAN

Health Workers Found That They Had a Breaking Out Which Spreads.

Fifteen children of the Barnard school were advised to leave school yesterday to consult physicians by Miss Margaret Scully and Mrs. Grace Bean, county health nurses, because of skin conditions. The children were affected by a breaking out which starts from a small pimple and then spreads. The disease is diagnosed as Impetigo Contagiese.

The nurses inspected four districts yesterday in which there were 226 children. The work was confined to the Barnard schools and three rural districts near Barnard.

The disease is infectious and is carried by contact and by the use of common towels, Dr. Fryer said this morning. It is innocuable and any child who has a scratch which comes in contact with one of the sores will probably contract the disease. Once it gets started in a school it is hard to control and the best thing for the children to do, Dr. Fryer said, is to go home and have a physician treat them.

Mr. and Mrs. H. B. Cushman and children, Herman and Garnett and Mr and Mrs. Joseph Crawford motored to Bethany yesterday to attend the fair.

MAY BREAK ENROLLMENT RECORD AT HIGH SCHOOL

Number Today Is About the Same as Were Enrolled in First Week in Fall of 1920

The indications are that the enrollment at the Maryville High School will be the greatest it has ever been. Sept. L. E. Ziegler said this morning that the total was 363 and that he knew of others who would enroll in a short time. This number is practically the same that was enrolled during the first week in 1920, the year in which the high mark was made by the school.

The enrollment by classes yesterday was as follows:

Seniors: Advanced, boys 3, girls 11; beginning, boys 24, girls 49.

Juniors: Advanced, boys 9, girls 10; beginning, boys 29, girls 38.

Sophomores: Advanced, boys 12, girls 11; beginning, boys 28, girls 29.

Freshmen: Advanced, boys 17, girls 14; beginning, boys 36, girls 41.

ANOTHER REBELLION IS REPORTED IN RUSSIA

Sailors in the Black Sea are said to Be in Mutiny—Other Disorders

London, Sept. 8—Another rebellion has broken out in South Russia, says a Helsingforth dispatch this afternoon. Sailors on the Russian warships are reported to be in mutiny in the black Sea. Revolutions reported in Crimea and other South Russian provinces two weeks ago. They have been announced as unimportant and as having been quelled.

GROVER HATCHER SHOT AT QUITMAN

FOUND AFTER FIRING BY SHERIFF ROACH'S PARTY

THINKS HE'LL RECOVER

A Party That the Deputies Took for Bootleggers Ran When They Were Ordered to Stop

Grover Hatcher was found near the picnic grounds at Quitman about 10 o'clock last night with a bullet hole through his left lung, near his heart. He was taken to the hotel in Burlington Junction, where he was treated by Dr. W. M. Hindman. Dr. Hindman said this afternoon that Hatcher had a close call, but that he would recover unless there were complications.

The sheriff's office is reluctant about giving information regarding the shooting, but admitted the following:

Sheriff Steve A. Roach and deputies, Leo Atherton, Gabe Purcell, Walter Randall and others were at Quitman last night looking for bootleggers. They found a bunch of fellows in a corn field whom they believed to be the men they were looking for. They commanded them to stop, but they all ran. The sheriffs then fired.

Hatcher was found about a half mile from the scene of the shooting, but it is believed that he was shot by the sheriff's party and that he ran that far before he fell. Considerable difficulty was experienced by Dr. Hindman in getting the flow of blood stopped. He said that Hatcher came near bleeding to death.

Hatcher is now under two liquor charges and the cases are set to come up in the September term of the circuit court here.

It is said at the office of the sheriff today that Hatcher's home is in Andrew County.

The central office at Quitman was closed this afternoon on account of the barbecue that is going on there, so no detailed information regarding the affair could be obtained from Quitman.

FRISCO BUYS NEW EQUIPMENT

More Than 8 Million Will Be Spent For Engines and Cars

St. Louis, Sept. 8—Contracts for new equipment totalling more than 8 million dollars, including thirty-five large Mikado freight engines, fifteen mountain type engines for passenger trains and one thousand 50-ton capacity steel hopper bottom coal cars, have been let by the St. Louis & San Francisco railway (Frisco lines), according to announcement made yesterday at the general office here by James M. Kurn, president of the roads.

Bids have also been asked for 1,500 fifty-five ton steel gondola coal cars, 1,500 steel underframe automobile box cars, and 300 steel underframe stock cars.

The announcement of this purchase follows closely the purchase of 6 million dollars' worth of new equipment early in the summer.

A suit was filed at the office of G. H. Westfall, circuit clerk, today by Roy E. Jackson against James A. Handley on a note.

HOPKINS JUBILEE TO BE HELD ON SEPT. 28, 29 AND 30

Farm Organizations Will Have One Day—Committees Appointed.

The dates for the Hopkins Jubilee have been decided on, being Thursday, Friday and Saturday, Sept. 28, 29 and 30, and everything points to a jolly good time.

The Farm Organizations will have the second day and if it can be so arranged the first day will be turned over to the Masons with Saturday as the "town day."

There will be ball games each afternoon and many free attractions each day. The merry-go-round and other concessions will be found on the business streets that are to be roped off for the safety and convenience of the crowd.

Paul Spencer and Henry Brown have been selected to look after the farmers free ball games while Skeet Rickard will arrange the other games and not more than 25c will be charged for any of them.

C. E. Donlin, R. A. Turner and Bob Houston will look after the live stock and poultry entries.

Wm. Alexander, Mrs. Robert Houston, Jake Cox and Mrs. Bunch Coleman will attend to the fruit, vegetables, corn and fancy work display.

On entertainment Oscar Mutti, Maurice Wolfers and George Ulmer Jr., have been appointed.

Sam Robbins, Duke Fike and Jake Hauf will have charge of the concessions.

Joe Osborn, U. A. Anderson and Frank Miller will arrange for speakers Farmers Day.

The first person named on the different committees is chairman of that committee and each chairman is asked to meet next Tuesday night at the store of Fred Gray to arrange a complete program so that it can be published in next week's Journal.

Plenty of money has been raised and the jubilee is going to be a big event if the weather man is willing and we rather think he will be.—Hopkins Journal.

MILTON HULL LEAVES PICKERING FOR GLENWOOD

Has Been Popular Agent—the Rev. Mr. Knouse and Family on the Job

(O. G. Null)

Milton Hull, who has been station agent for the Burlington Railway at this place for the past four years, received notice the last of the week that his application for transfer to a similar position at Glenwood, Ia., had been granted and that he would be expected to begin his new work this week. This is quite a promotion for Mr. Hull, as Glenwood is one of the best paying stations in the Division. He and his father who was last week transferred to Glenwood as section foreman had their household goods loaded Thursday for shipment to Glenwood and both families will go to their new home the first of next week.

During his service here Mr. Hull has made a host of friends who are glad of his advancement to so good a position, though they are sorry to lose him and his family from this community.

Rev. Charles A. Knouse and family are now installed in the parsonage of the Christian Church, their household goods having arrived last Friday evening.

The parsonage has recently been repaired and the interior repainted preparatory to their coming.

Mr. Frank Wallis is making arrangements to spend the winter in southern Texas and expects to leave next Monday with his brother, Dr. W. M. Wallis and his nephew, Dr. Frank Wallis, for that place. They will make the trip in the Dr. Wallis Car.

Mr. and Mrs. Irvin Loch drove to Independence, Mo., last Saturday and visited over Sunday at the home of Mr. and Mrs. Roland Wray. Mr. Wray then accompanied them home Sunday and spent Monday and Tuesday in looking after business interests here and at Elmo. He returned home Tuesday afternoon.

Mr. Omer Wray, manager for the Wray Hdw. Co. at this place, made a business trip to St. Joseph last Saturday. Mrs. Wray accompanied him.

Miss Hulda Lunte left here last Saturday for Sabetha, Kan., where she will teach school this year. Mrs. Lunte and Miss Ruth will also go to Sabetha in a few weeks to spend the winter.

Miss Goldie Carmichael, who has spent her vacation visiting her parents Mr. and Mrs. J. C. Carmichael, returned to Kansas City last Saturday to take up her work as teacher in one of the Kansas City schools.

Miss Ora McMillen and her sister, Mrs. Chaney, who have been visiting their father, C. G. McMillen, and with other relatives here for the past two weeks returned to Topeka, Kan., last Friday. Mrs. Chaney's home is in that city and Miss McMillen is Superintendent of the Domestic Science Department of the public schools at that place.

Miss Elna Scott began her second term of school at the Bloomfield School house last Monday. She has twenty-one pupils of whom four are beginners.

The Pickering School opened last Monday with fifty pupils in the High School and sixty-four in the grades. Two others have enrolled in the High School since Monday. All departments of the school are handicapped this week by the lack of text books but it is expected that the books ordered will soon be here and all classes down to work.

Sunday School at 10 A. M. at the M. E. Church next Sunday. Regular services at the Christian Church next Sunday. Bible School at 10 A. M. and preaching services by the pastor at 11 A. M. and 8 P. M. Arrangements are being made for a protracted meeting to begin about the 17th of this month if the evangelist can be secured at that time.

TROUSERS ARE MAN'S ONLY

Michigan Girl Gets Ten Days for Wearing Male Attire

Owosso, Mich., Sept. 8. — Trousers are the raiment exculsively of man, Justice Hugh Nichols ruled in sentencing Miss Thelma Grisler, 19 years old, to ten days in the county jail after she pleaded guilty to disorderly conduct in masquerading as a man. Miss Grisler began her sentence today.

Trimming her hair short and donning masculine clothing, Miss Grisler a week ago started out to find employment, saying she discovered man's opportunities are greater and his work easier than a woman's. She obtained emploment at Durand and worked several days before it was discovered that she was a woman.

Pleading her own case before Justice Nichols, she contended many women had been riding horseback in breeches and that she did not consider it a misdemeanor to wear male attire in working.

"But they were not trying to masquerade as men and you were," the court ruled. "Ten days in the county jail."

Democratic leaders seem to be in a quandary as to what kind of a platform they shall adopt at Excelsior Springs next week. The best thing they can do for both party and candidates is to adopt a genuine democratic platform and invite all nominees to get on it.

With the heat continuing as it is, it looks to the average boy like opening school in the middle of the summer.

Club to Reassemble

Invitations were sent out today for the reassembly of the Twentieth Century Club next Tuesday afternoon. The club will open its season with a garden party to be held at 2:30 o'clock at the home of Mrs. Charles T. Bell on West Third Street.

Ravenwood Folk Picnic Here.

A party of folk from Ravenwood drove to Maryville last night and had a picnic supper in the Tourists' Park. They planned on attending the weekly concert of the Maryville band, but found when they got here that there was to be no concert. Those in the party were Mr. and Mrs. Vern Henson and children, James and Verna; Mrs. Della Slagle and daughter, Ola; Mr. and Mrs. E. C. McMulin and daughter, Beth; Mr. and Mrs. H. T. McMulin and daughter, Vira. The party made the trip in Mr. Henson's big motor truck.

Elect New Officers

The Woman's Foreign Missionary Society of the First Methodist Church was delightfully entertained yesterday afternoon by Mrs. J. E. James at her home on East Park avenue. Mrs. C. A. McCoppin, who was the program leader, read the scripture lesson and Mrs. R. S. Braniger led in prayer. A leaflet on "The Mission of Mollie's Mite Box" was read by Mrs. John Haist. This meeting closed the activities of the church year, and the following officers were elected for the ensuing year: Mrs. Herbert Wamsley, president; Mrs. J. C. Archer, vice president; Mrs. Walter Mutz, second vice president; Mrs. Verne Wray, secretary; and Mrs. Mary Hook, treasurer. The mystery box concluded the afternoon's lesson. Delicious refreshments were served by the hostess, assisted by Mrs. Frank E. James, Mrs. J. H. Sewell and Mrs. W. L. Ruddle. Guests of the Society were Mrs. D. N. Scott, Miss Emma Shroyer and Miss Kate Willis, and there were twenty-four members present.

Parties for Miss Peers

Mrs. H. E. Turk and Mrs. T. L. Wadley entertained with six tables of six-hand euchre yesterday afternoon at the home of Mrs. Turk on West Fourth Street, complimentary to Miss Carrie Peers of Collinsville, Ill., who is the guest of Mrs. Turk. The rooms were decorted in vari-colored asters, artistically arranged in wicker baskets. A pink and white color scheme prevailed in the refreshments which were served on the small tables at the close of the game. The tables were centered with clusters of pink and white asters. The game favor was won by Mrs. Charles S. Jackson and the honor guest was presented with a basket of pink asters. The out-of-town guests, included in addition to Miss Peers, Miss Neah Paulsen of Story City, Ia., the guest of her sister, Mrs. F. P. Reuillard, and Mrs. Edwin F. Caldwell of Burlington Junction. The assisting friends were Mrs. Fayette Bellows, Mrs. S. G. Gillam, Mrs. J. D. Richey and Mrs. Caldwell.

Mrs. Turk and Mrs. Wadley honored Miss Peers with a second euchre party this afternoon when the game was played at six tables. An additional out-of-town guest was Mrs. Kenneth Davis of Colby, Kan., who is the guest of her parents, Mr. and Mrs. J. H. Sewell. Assisting in entertaining were Mrs. Charles A. Wadley, Mrs. Eldon Irvin, Mrs. Lewis DeHart and Mrs. J. C. Allender.

Neighborly Club Reception

The opening meeting of the Neighborly Club was held Wednesday afternoon at the home of Mrs. Carrie Masters, when a reception was given in honor of the new members, Mrs. G. L. Lewis and Mrs. John McMahon. Mrs. Carrie Masters received, and Mrs. Carpenter presided at the punch bowl. In absence of the president, Mrs. R. A. Walker, the vice-president, Mrs. L. W. Garnett, presided, and welcomed the new members into the club. Mrs. John McMahon responded to the welcoming, and Mrs. G. L. Lewis gave a very interesting talk on "The Advantages of Being a Club Worker," after which a social afternoon was spent. The house was beautifully decorated in garden flowers. The next meeting will be held at the country home of Mrs. Rura Barber.—Skidmore News.

Honor Newlyweds

Mr. and Mrs. C. C. McDowell entertained a number of guests Thursday at their home, four miles northeast of Graham, in honor of their son, Ralph McDowell, and his bride, who were married August 24 in St. Joseph by the Rev. C. M. Chilton. Those present, besides the honor guests, were Mr. and Mrs. Walter Russell, Mr. and Mrs. Marvin Mowry, Mr. and Mrs. Vern Cox, Mrs. Mollie Cox, Misses Rose Geyer, Lois Goodpasture, Grace Morris, Beulah and Vae McDowell, and Charles Goodpasture, Gerald Mendenhall, Dale Watson and Mr. and Mrs. J. Ward Stephenson and daughters, Bettie Vae and Alice Marie.

Mr. and Mrs. J. Ward Stephenson entertained with a 12 o'clock dinner Sunday at their home, one mile north of Graham, in compliment to Mr. and Mrs. McDowell. Those present were Mr. and Mrs. C. C. McDowell, Misses Beulah and Vae McDowell, Jack McDowell, Gerald Mendenhall, and the guests of honor.

Lasher Community Club

An all day meeting of the Lasher Community Club was held yesterday at the home of Mrs. J. S. Benefiel, with Mrs. Robert Benefiel and Mrs. Henry Finn as assisting hostesses. The members spent the time in millinery work under the direction of the delegates who attended the millinery school in Maryville last week. A cafeteria dinner was enjoyed at noon. A special meeting of the club will be held Friday afternoon, Sept. 15, at the home of Mrs. Dan O'Grady. The visitors for the day were Mrs. Tom Lyons, Mrs. Clement Daugherty, Mrs. Harve Cockayne and Mrs. Clark of St. Louis, a daughter of Mrs. J. S. Benefiel. The members present were Mrs. C. L. Wells and daughters, Mrs. Philip Strauch, Mrs. Sam Dempsey, Mrs. Byron Masters, Mr. and Mrs. Will Dempsey and children, Mr. and Mrs. Jesse Smith, Miss Lucile Masters, Miss Ella O'Grady, Mrs. George Masters, Mrs. Helen Strauch, Mrs. Dan O'Grady, and Mrs. Will Job, Jr., and daughters.

Surprise Mrs. Mapel

A number of the coworkers of Mrs. Frank J. Mapel in the Buchanan Street Methodist Church surprised her last night at her home on East Fourth Street. The affair was given as a farewell courtesy to Mrs. Mapel who will leave next week for her new home in Jamesport. A surprise handkerchief shower was given for the guest of honor and refreshments were served. In the company were Mrs. M. E. Farrar, Mrs. Eph Tilton, Mrs. Blanche Overmire, Mrs. R. G. Allen, Miss Bertha Beal, Mrs. Lafe Dawson, Miss Eva Dawson, Mrs. Charles Seiler and little daughter, Mrs. Charles Vance and son, Mrs. Wilson Nicholas, Mrs. Del Thompson, Mrs. C. A. Hopp, Mrs. Earl Henderson, Mrs. M. A Peery Mrs. J .E. Stewart, Mrs. I. E. Tulloch, Mrs. Lily Martin, Mrs. Raymond Barry Mrs. L. P. Colvin, Mrs. Harl Holt, Miss Anna May Holt, Mrs. T. H. Leet and daughters, Mrs. Jack Pennington and Mrs. N. F. Humber.

Eversole Dinner Guests.

Mr. and Mrs. Ralph Eversole entertained at 6 o'clock dinner Thursday evening at their home on South Buchanan street, when their guests included the Rev. and Mrs. Frank J. Mapel and sons, William and Frank Mapel.

Class Members on Hike

Members of the Anti-Cant Sunday School class of the First Baptist Church, accompanied by their teacher Miss Viva Cloud, will hike this evening to Lee's Hill, east of Maryville, where they will spend the night. The class members will meet at the home of Miss Mary Coe on East Lawn avenue early this evening and the hike will start from there. An early morning breakfast will be cooked over a campfire tomorrow morning. Members of the class are Misses Hettie Mae Woodward, Mary Coe, Esther Gile, Dorothy England, Alice Allen, Loretta Jones, Anna Cooper, Orrell Anderson, Neri Robinson, Ethel Wallace, Evelyn Raines, Rebecca Briggs, Vera Mae Dorman, Dorothy White Gladys New and Betty Howard.

Bloomdale Willing Workers Club

The Bloomdale Willing Workers Club was entertained yesterday afternoon at the home of Mrs. James Carter, southeast of Pickering. The members gave riddles in response to the roll call and following the business meeting the time was spent socially. The hostess was assisted in serving refreshments by Mrs. Earle Runnels. Six members were in attendance at the meeting. The club will meet September 26 with Mrs. Orville Gray when roll call will be answered by favorite games.

Mrs. Young Hostess.

Mrs. M. D. Young was hostess to the Worth While Club yesterday afternoon at her home near Hopkins. The time was spent in tacking a comfort and refreshments were served. Those present were Mrs. William Wells, Mrs. Leman Morehouse, Mrs. Tim Morehouse, Mrs. Clarence Duffield, Mrs. Bruce Clymens, Mrs. Joe Miller, Miss Edna Proctor, Mrs. Andy Morehouse, Mrs. W. F. King, and Mrs. Edward Gray. The club will be entertained in two weeks at the home of Mrs. Carl Burk.

Rockford Community Club.

Members of the Rockford Community Club met yesterday afternoon at the home of Mrs. Will Hogan, south of Maryville for their regular meeting. The members began a course in millinery which will be continued at the next meeting Thursday afternoon. Those present were Mrs. Ernest Bainum, Mrs. Eugene Crawford, Mrs. J. R. Evans Mrs. Claude Moore, Mrs. C. G. Phillips, Mrs. M. C. Williams, Miss Grace Williams, Mrs. Norah Clements, Mrs. Jesse Fisher and Mrs. Dale Partridge.

Thousands Of Women Are Now Taking This Newer Form Of Iron

Worn-out Housewife Tells How She Quickly Regained Her Health and Strength.

"Only a short two weeks ago I was so tired, nervous and worn-out from the drain on my nerves and strength of household drudgery, that I thought I could not keep up another day.

A short two weeks' treatment of the newer form of iron has given me a marvelous increase in health, strength and energy. Now I can do my whole house without help, and do not have to sit at home in the evening "all-in" sick and nervous."

"The above is a typical hypothetical case," says Dr. James Francis Sullivan, formerly physican of Bellevue Hospital (Out-Door Dept.) New York, and the Westchester County Hospital. "You cannot be well and strong and full of vigor, force and power unless your blood is rich in iron. It is your red blood that enables you to resist and overcome disease and that nourishes every organ in your body. Without iron your blood becomes thin, pale and watery. Poor blood cannot nourish your vital organs and as a result you may have pains in your heart or kidneys, indigestion, headaches, and feel all "run-down" and tired out."

When your blood lacks iron do not waste your time taking stimulating medicines or narcotic drugs, but directly enrich your blood with the newer form of iron sold by all druggists under the name of Nuxated Iron, which is like the iron in spinach, lentils, and apples, and is in a form easily assimilated into your blood

Get a bottle of Nuxated Iron today. Take it for two weeks and if you have not, like thousands of others, obtained most surprising health, strength and energy, the manufacturers will promptly refund your money. The following local druggists will sell you Nuxated Iron with this "satisfaction or money back" guarantee.

The Maryvillian-Etts
---By "Scoop"

The Smith-Hughes department grows in popularity each year. Miss Katherine Carpenter has twenty-four second year girls in her two classes. Miss Elizabeth Leet has thirty beginning girls in her classes. Both classes have spent the past week cleaning the department in preparation for the year's work.

Miss Lucile Airy has ninety-four students enrolled in her commercial classes. The commercial geography class is one of the most popular courses offered, and the classes are filled. Miss Airy has twenty-two regular commercial students, twelve in the beginning class, and ten in the advanced.

Miss Frances Sheirbon and her brother, Homer, were in Maryville on business yesterday.

Mr. and Mrs. Frank Reavis and children, Marjorie and Junior and Miss Opal Thummel will spend Sunday at the Thummel home, near Parnell.

Miss Ailene Carter is attending the Quitman picnic today.

The work for this year's debating team at the Maryville High School will begin next week, according to Miss Frances Holliday, the coach of this year's team. The question which has been selected is "Resolved, That the National Government Should Own and Operate all of the Coal Mines in the United States."

There will be about fifteen boys and girls entered in the contest to make the team.

The Maryville High School is in full swing despite the hot weather. By next week the enrollment and reclassification will be completed and a permanent schedule arranged.

With the addition of an extra English teacher this year these classes have not been so crowded.

A large number of the high school students are wishing they were back in the grades, since there is no school in the hot afternoon for grade pupils.

The high school orchestra started its work this week under the direction of Loren J. Schnabel and in a few weeks will be able to give a program at assembly. The orchestra has a membership of about thirty.

The high school arguers will soon begin work for this year's debating team. Miss Frances Holiday, English teacher, will be the debating coach. The school has back three old debaters, Harold Moore, Townsend Godsey and Richard Baker, together with the new material. It should be able to put a formidable team in the race for the state and district honors.

A large number of former high school students have found it very hard to resist the temptation of coming back to school this week with the ringing of the bell. Several of them have been seen wandering hopelessly up and down the halls and in the class rooms.

Miss Lois Nash, the French teacher, will be in charge of the girls basket ball team this year. Miss Nash played for two years on the girls' basket ball team at Central College.

The hot weather is very hard on the football recruits but nevertheless the boys are undergoing a severe grilling since the first game is only a few weeks off.

The football schedule will be arranged tomorrow, according to Coach Frank Lawrence, and games will start soon after.

It is hoped by the students of the high school that Trenton and Chillicothe will not be left off of this year's schedule for as some boys says, they have a good defeat coming to them.

The first causualty in the football practice occurred Wednesday when Marvin Epperson sprained his arm when making a nose dive after the elusive egg.

Maryville was the odds for football material over its rival, Trenton this year by the fact that about forty-five proteges of the sport appeared for practice on the Maryville squad, eight of these letter and eleven numeral men, while Trenton had only thirty men in its football lineup.

50 See Films at Wilcox

The showing of the films dealing with the eradication of the common round worm in hogs was attended by approximately fifty people at the Methodist church in Wilcox last night. Roy A. Kinnaird, county farm agent, has charge of showing the films.

CHARLES GRIER AGAIN IS CHARGED WITH DRUNKENNESS

Charles Grier was arrested last night on two charges, one for being drunk and the other for disturbing the peace. Grier appeared before Mayor F. P. Robinson this morning and plead not guilty to both charges and was released on two bonds. The bond for the charge of disturbing the peace was placed at $100 and the bond on the charge of drunkenness was placed at $50. The bonds were signed by T. E. O'Grady.

COMING TO ATTEND THE STATE TEACHERS COLLEGE.

The following young women of Blanchard, Ia., will enter the State Teachers College which opens next week, according to the State Line Herald: Miss Lois McMillan, Miss Jennie McMillan and Miss Marguerite Ryley.

The following clipping is taken from the Barnard Bulletin:

A large number of the graduates of the Barnard high school last year are either teaching or attending the State Teachers College at Maryville. Those attending college are Florine Pollard, Berneta Henderson, Noma Robison, Thelma Curnutt, Reba Cliser, Donald Davis, Fred Nelson and also Harold Eaton.

C. C. Hellmers went to Omaha last night for a business trip. He expects to return Saturday evening.

St. Joseph Assignments

Mrs. Caroline Leet and Miss Helen Dean of Maryville, who will teach in the public schools at St. Joseph, have been assigned to the Hall school. Miss Loretta Gex of Graham will teach in the South Park school under Miss Bettie Bolen, formerly of Maryville, as principal. Miss Ruby Irwin of Maryville has been assigned to the Washington school.

Mrs. Wilbur Smith of Pickering was in Maryville this morning on business.

Teassin' the Appetite

the housewife's greatest contention these hot days is—what shall I have for dinner.

A nice cut of steak with fresh tomatoes is hard to beat — we have the steak and tomatoes are plentiful.

If this don't tease the family's appetite we have plenty of good pork or lamb. If mother is too busy to cook, in our ready cooked meats she can find at STAPLER'S a wide variety of choice cooked meats.

Health and happiness in every spoonful of Kellogg's CORN FLAKES

For tomorrow's breakfast—treat the family to Kellogg's Corn Flakes and fresh fruit! See that there is a big pitcher of cold milk ready! And, urge each big and little family member to eat plenty, for Kellogg's are the perfect warm weather food!

Kellogg's Corn Flakes are not only delicious in crispness and flavor, but they're wonderfully nourishing and refreshing. They give stomachs a chance to rest in warm weather because they digest so easily. Eat Kellogg's regularly and get away from so much heavy foods and see how much better every one in the house feels!

ENLISTMENT STILL GOING ON FOR BATTERY C

Some Disappointment Over the Number Who Have Signed Up—To Fill Up From Students.

Enlistment for Battery C of the 128th Field Artillery of the Missouri National Guard, that is being organized here, is still going on but the required number has not been reached. Captain Eugene A. Maynor, who is in charge of the work of the organization, said this morning that he would get the required number to fill up to fifty from among the students at the College when they are enrolling next week.

There has been some disappointment over the number who have come in. About seventy signified their intention of joining in the beginning but many seem to have gotten "cold feet." Those who are doing the organizing believe that the battery will be a good thing for Maryville and are somewhat disappointed that more interest is not taken.

Following are some of the things that have been set forth as argument in favor of the organization here:

The state has the money to spend for the guards and it is going to spend it some place. Maryville might as well have it as any other town in the state.

The battery would necessitate a payroll for Maryville of from $750 to $1,000 a month.

The battery will give work to ten students in the State Teachers College and thereby help take care of an important feature in the welfare of the school.

In addition to giving the ten men work it will give all the men in the College who care to take it up, an opportunity to earn from $5 to $7.50 per month, depending upon the grade in the organization.

Through offering men who are to come here to go to school work in the battery Captain Maynor has secured for the College and for the football team a numberof good men that he says he could not have secured had there been no inducement here along the line of work for them.

The battery will give all the men of Maryville the same chance to earn as enlisted men in the battery that the students in the College will have.

THAT BAD BACK.
Do you have a dull, steady ache in the small of the back—sharp, stabbing twinges when stopping or lifting—distressing urinary disorders? For bad back and weakened kidneys Maryville residents recommend Doan's Kidney Pills. Read this Maryville statement.
Miss M.H. Donahue, 724 North Mulberry Street, says: "My back caused me a great deal of trouble and I felt miserable and worn out. Sharp shooting pains often caught me in the small of my back. My back was lame and sore and occasionally dizzy spells came over me and left me in a weak condition. A friend advised Doan's Kidney Pills and two boxes not only brought great relief but completely cured me. I am glad to say these few words in praise of such a good reliable remedy as Doan's Kidney Pills."

WORLD'S WHEAT CROP LESS THAN LAST YEAR

Russia Will Be Able to Feed Itself, However, Since Crop Conditions are Favorable.

Washington, Sept. 8.—The world's wheat production this year will be less than it was last year but considerably greater than the pre-war average, according to estimates made public by the department of agriculture. Estimates indicate a yield this year of 3,019,526,000 bushels compared with the production last year of 3,059,596,000 and the 1909-13 average of 2,890,353,000 bushels.

Reports from all sources regarding Russia, said crop conditions were favorable and would feed the nation this year, eliminating the need of imported wheat. Nearly all European countries reported decreases, the total European production being estimated at 1,100,991,000 bushels, compared with 1,239,256,000 in 1921 and the pre-war average of 375,827,000.

Increased wheat production in both the United States and Canada was indicated, the combined estimate being 1,125,968,000 bushels this year, compared with 1,095,751,000 in 1921 and the pre-war average of 883,810,000.

HEAT POPS CORN ON THE COB

Pittsburg, Kan., Farmer Carries Ears to Town to Prove It

Pittsburg, Kan., Sept. 8.—When Tom Guinn, north of this city, began harvesting his popcorn crop today he concluded that the corn must be of the self-popping variety. He found several ears with the corn popped on the cob when he pulled down the husks. Mr. Guinn asserts that the excessively hot weather of the past two weeks accounts for this unusual condition. He brought several specimen ears to town to prove his story.

Burning Feet, Corns and Callouses Halt Mrs. Doyer
On long hike from Boston to Los Angeles
Reaches New York Where Foot Troubles Threaten To End Strenuous Journey. Tells How She Outwitted Pains From Sore, Burning Feet, Corns and Bunions with
GYPSY FOOT RELIEF
A Wonderful Secret From the Desert

AFTER shaking hands with Governor Cox, of Massachusetts and Mayor Curley, of Boston, Mrs. Belia Doyer and her fifteen-year old son started their long hike from Boston to Los Angeles, California, with nothing but jack-knives in their pockets and walking sticks for protection on their strenuous journey. Dressed in khaki uniforms, they reached New York City in good time, where Mrs. Doyer's burning feet, corns and the appearance of a red-sore bunion threatened to halt her intended record-making expedition. But hearing of the wonders performed by Gypsy Foot Relief, Mrs. Doyer obtained a box and anxiously put it to the test, for here was an aggravated condition of foot troubles calling for immediate relief, and she must make good her slogan of "reach-Los Angeles-by-foot-or-die!" How Mrs. Doyer succeeded is best told in her own words in an interview, just before leaving New York to continue her 3,300 mile foot-trip. She said:—
"When we reached New York City, in good time, my feet were burning, sore and aching, callouses had formed and two corns and a sore bunion made their appearance. I thought I would have to give up my "reach-California-on-foot-or-die" program. Hearing about the wonders of Gypsy Foot Relief, I obtained a box and applied it that afternoon, and that night, and the next morning, and to my surprise, my feet felt as if they had new life; the burning and aches had ceased, the soreness had gone and the pains from corns and bunions had disappeared as if by magic. I started on my long hike again and now that I have some Gypsy Foot Relief, I am sure I will reach Los Angeles without any more foot troubles or misery.
NOTE:—Gypsy Foot Relief, mentioned by Mrs. Doyer, is a secret from the desert. Applied in a minute, relief comes a few minutes later! The awful pains from burning, callouses feet, corns, and bunions seem to disappear as if by magic! No bother to apply—no plasters—no powders—no soaking feet in medicated baths—no fuss! Simply apply it as directed, then put on your shoes and walk, run or dance as long as you wish, or work and stay on your feet as long as you like! So remarkable are the reports of Gypsy Foot Relief from different parts of the country, that the makers guarantee successful results in every case—or you get back the little it costs! It is sold in this city by all good druggists, including

Sound advice about your complexion— from two famous dermatologists

In every book by high medical authorities on the care of the skin, you will find urgent warnings against the "treatments," "methods" and "preparations," with which thousands of women, in their search for beauty, are *endangering their complexions every day.*

Here are several short quotations from two such eminent authorities:

"A soap should be bought not as a panacea for skin troubles, but for its humbler quality of cleansing the skin."

"The natural color of the best quality of toilet soap is creamy white."

"With a healthy skin of normal resistance, the only care needed for the face is to keep it clean and to protect it from damaging influences. The way to keep the face clean is to wash it, sometimes with soap and water, sometimes with water alone."

"Medicated soaps are of little value, except as soaps, and should not be used inadvisedly."

—*from* "The Care of the Skin and Hair," by William Allen Pusey, M. D., Professor of Dermatology, University of Illinois.

"Remember that medicated soaps are unnecessary, and usually harmful to the normal skin."

—*from* "The Care of the Skin," by Charles James White, M. D., Professor of Dermatology, Harvard University.

From authorities such as these there is no appeal.

In choosing a soap for your skin, therefore, choose a soap that is pure, mild, gentle and white, and that *cleanses—safely.*

Ivory Soap meets every one of these ideal specifications—an honest, wholesome soap, made of the very finest materials, for a single purpose—to *cleanse safely.*

Ivory's pure, mild, quick-rinsing lather has brought delightfully refreshing cleanliness to millions of lovely complexions since 1879.

PROCTER & GAMBLE

IVORY SOAP

99 44/100% PURE IT FLOATS

We can't quite make out the *words* of Mrs. Jollyco's lullaby song; but maybe, if we try *very* hard, we can write some words of our own to fit the tune. And if you're not quite sure of the *tune*, you try very hard and make up a tune to fit the *words.*

Ivory fragrant, Ivory white,
Drowsy baby, sleep tonight.
Ivory pure and Ivory mild,
Baby wake a happy child.
Ivory—lather, rinse and float!
Baby sail your Ivory boat.
Baby grow up clean and strong—
Ivory guard you all life long.

* * * * (The Law approaches stealthily.)

"! ! !" (The Law speaks.)

"Hey! Didn't you see that sign?" shouts The Law.

"Aw, we ain't swimmin'," replies brave Bobby Jollyco. "We're *bathing.* Looky."

Well, just see what that little rascal has done! There's a cake of Ivory floating on the water—as *bath proof!*

If you were The Law, what could you say to *that?*

"Sally Jollyco, what are those red spots on your face?"

Sally may be stubborn, but she's brave, in spite of Dr. Verity's beetling frown.

"Uncle Doctor dear, I was trying to get more beautiful with some slickery new soap, and I tried too hard. *Please* don't scold me!"

Do you suppose Sally will *ever* learn? If she had used safe, gentle Ivory Soap, Dr. Verity wouldn't have *had* to scold her.

A Flaked Soap which meets the important safety test

Before you trust your costly fine fabrics to any soap in any form, a doubt naturally comes up in your mind.

"Is this soap really safe?"

Ask yourself: *"Would I be willing to use this soap on my face?"*

A soap which is too strong for your face is *naturally* too strong for your delicate and costly garments.

Ivory Flakes is simply Ivory Soap in flake form. *Of course* it fully meets this important safety test.

For Ivory Soap, pure, mild, gentle, white—has protected the faces and hands of millions of women since 1879.

Ivory Flakes offers you a real *margin of safety* for cleansing the very *finest* garments you own.
